

Camino de la Reconquista

TREKKING "CHEMIN DE LA RECONQUISTA"

Camino de la Reconquista (© Llama Trek 2005)

Ce trekking démarre au même endroit que le célèbre trek du Takesi, mais il est beaucoup moins fréquenté que ce dernier. Le chemin est la plupart du temps dégagé et permet ainsi d'admirer les sommets et pics enneigés des alentours.

La durée des étapes du trekking varie selon chaque randonneur, mais il faut compter entre 5 à 8 heures de marche journalière. C'est de plus un trek qui débute en haute altitude, le premier col avoisine les 5000 mètres d'altitude.
